Dear Mrs. Meeding,

Please find enclosed the annual report for the carrier referenced above. I am asking on behalf of the carrier that the Commission expedite the processing of this renewal application. The carrier's authority was revoked for rule to show cause failure to file order # 2018-344-T and failure to maintain evidence of insurance order # 2018-414-T

I do thank the Public Service Commission in advance for the consideration and patience in this matter. Please let me know if I may be of any additional assistance.

Sincerely

Maurice A. White, CPA

Premium Adjustment

Each year, we review our medical payments and personal injury protection coverages claim experience to determine the vehicle safety discount that is applied to each make and model. In addition, we review the comprehensive, collision, bodily injury and property damage claim experience

annually to determine which makes and models have earned decreases or increases from State Farm's standard rates. If any changes result from our reviews, adjustments are reflected in the rates shown on this renewal notice.

SURCHARGES AND DISCOUNTS

AUTOMOBILE RATING PLAN - Applies to private passenger cars only.

Accident-Free Discount - Once your policy has been in force for at least three years with no chargeable accidents, you may qualify for our Accident-Free Discount. Once you qualify, this discount applies as long as there are no chargeable accidents, and may even increase over time.

Good Driving Discount - Newer policyholders who do not yet qualify for our Accident-Free Discount (available after

three years with no chargeable accidents) may already be receiving a Good Driving Discount. This discount continues to apply until your policy qualifies for the Accident-Free Discount as long as there are no chargeable accidents and no new drivers. If you add new drivers, they must also qualify in order for your Good Driving Discount to continue.

Chargeable Accidents - For new business rating, an accident is chargeable if it results in \$750 or more of damage to any property. For renewal business, an accident

(continued on next page)

is chargeable as of the date State Farm pays at least \$750 under property damage liability and collision coverages for an at-fault accident. (Prior to March 1, 1999, an accident is chargeable according to the provisions and conditions of the former South Carolina Merit Plan).

Surcharges - If there are chargeable accidents, you may lose your Good Driving Discount or Accident-Free Discount and receive accident surcharges. But if the accident is the first to become chargeable in nine years and this policy has been in force for at least that long, the Accident-Free Discount will continue and no surcharge will apply. The surcharge for each accident depends upon the number and

timing of the accidents, and each accident surcharge will remain in effect up to three years.

Surcharges will be removed if the company is given satisfactory evidence that the driver involved is no longer a member of the household or will not be driving the car in the future. If that driver is insured on another State Farm policy, his or her driving record will be considered in the rating of the other policy.

These discounts and surcharges do not apply to all coverages. For complete details, see your State Farm agent.

ADDITIONAL INFORMATION

If any information on this renewal notice is incomplete or inaccurate, or if you want to confirm the information we have in our records, please contact your agent. For additional

information regarding discounts or coverages, see your State Farm agent or visit statefarm.com.

Buying a new car? Remember to contact your agent!

When you buy an additional car or one that replaces a car already on your policy, you need to report the change to your agent **promptly**. Even though the dealership you purchased the car from may offer to notify your agent or insurance company, you, as the named insured, are responsible for reporting all changes to your auto policy. By contacting your agent, you can help:

- avoid any complications or lack of coverage in the event of an accident or loss,
- avoid insurance verification problems with a lienholder, the police, or the department of motor vehicles, and
- ensure that you receive any new discounts you may be entitled to.

Your current State Farm policy automatically provides certain coverages for a new or replacement car for up to a specified, limited number of days after you take possession of the car. Please refer to your policy for the number of days that applies in your state.

If you have any questions about coverage for a newly acquired car, please contact your State Farm agent.

Disclaimer: This message is provided for informational purposes only and does not grant any insurance coverage. The terms and conditions of coverage are set forth in your State Farm Car Policy booklet, the most recently issued Declarations Page, and any applicable endorsements.
